**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT OF March 16, 2007**

When the Supervising Primary Examiner contacted me by telephone, he advised  
that the Applicant and counsel need only send in substitute pages 4 and 5 to applicants'  
Response of November 17, 2006 with the proper page numbers on them, and with the  
proper claims status identifiers which were accidentally omitted on claims 11 and 17.  
These were filed 13 March 2007.

By the Notice of Non-compliant Amendment, the Office has asked for the full set  
of claims with identifiers. They are attached with the page numbers as previously  
submitted. The prior Response of March 13, 2007 is adopted by reference.

The application is believed to be in order for allowance.

If any further extension is needed, petition is made for an extension, and the office is authorized to charge any fees to my deposit account 50-3153.

Respectfully,

/s/ /Brooke Schumm III/
